Viszeralchirurgie - Proktologie

Procto Day LUKS 2024

Friday, 19th January 2024, 9:00 am – 5:00 pm
Auditorium Luzerner Kantonsspital Luzern

herzlich, kompetent, vernetzt

Join us for the premiere of Procto Day LUKS in January.

We have national and international cracks sharing their insights on treatment approach and surgical techniques for complex anal fistula, rectal prolapse and AIN with you.

We are looking forward to seeing you in Lucerne.
