3rd Pediatric Emergency Medicine Bootcamp

October 30th and 31st, 2025

A Bootcamp by

Dear Colleagues

We are thrilled to invite you to the third edition of the «Pediatric Emergency Medicine Bootcamp», a collaborative effort by Pediatric Emergency Medicine Switzerland (PEMS) and the Children's Hospital of Central Switzerland.

This course marks a pioneering endeavor in Switzerland, designed to provide a platform for enhancing essential manual skills and expertise required by every emergency medicine physician. The aim of the bootcamp is to enhance patient care in pediatric emergency departments, by offering hands-on practice and reinforcement of skills under the supervision of an exceptional interdisciplinary team. This unique learning experience promises to empower participants to excel in their roles as emergency medicine physicians and to improve our patients' care.

We are looking forward to welcoming you in Lucerne on the 30th and 31st October 2025!

Best wishes
